- I) School and Community Involvement Chart (print off and complete)

- Information is subject to change without notice.
- Please report any errors to the counselling office.
- See Mrs. Persad for clarification.

## **A) Award Types; Clearwater Secondary School Awards Selection Committee**

### **Scholarship**

The term **scholarship** refers to a financial award given to a student to defray the costs of post-secondary education. Recipients are normally chosen on the basis of their **academic achievement**; however, other factors may include specific criteria as set out by the donor such as program of study, location of university or college and type or number of completed courses used in the calculation of the student's academic average. Applicants must be aware that these factors vary from donor to donor and award to award and that donors reserve the right to set their criteria as they see fit. *In many cases, donors consider factors such as the student's community involvement and volunteer or service activities as well as their academic achievement.* Normally, the criteria is specifically stated in advance under the description of the award. The amount of the award may also vary from year to year depending on the donor's financial situation.

Those scholarships whose recipients are selected by the donor are identified in the descriptions. The Clearwater Secondary School Award Selection Committee does not involve itself in the selection of the recipients of these donor-selected awards.

### **Bursary**

A **bursary** refers to a financial award given to a student to defray the costs of post-secondary education. The demonstrated **financial need** of the applicant is a significant factor in the selection of the recipient. *As with scholarships, other factors may include academic achievement, career goals, extra-curricular involvement and service to the community.* In applying for these awards, applicants should include how they have fulfilled the specific criteria for eligibility. *In some cases, applicants are required to demonstrate their financial need by disclosing their household income and occupation of their parents/caregivers.* This information is treated as sensitive and confidential.

Those bursaries whose recipients are selected by the donor are identified in the descriptions. The Clearwater Secondary School Award Selection Committee does not involve itself in the selection of the recipients of these donor-selected awards.

### **Clearwater Secondary School Awards Selection Committee**

The **Clearwater Secondary School Awards Selection Committee** is chaired by the School Counsellor and is comprised of the School Principal and/or Vice-Principal, a community representative who is normally the current or a past School District Trustee for Clearwater, and/or a Teacher Representative. This committee reviews applications for scholarships and bursaries that are not selected by donors and selects recipients on behalf of donors.

## **B) Average Percentage Mark**

For the purposes of selecting award recipients, the Clearwater Secondary School Awards Selection Committee will use the following **formula** to determine the academic standing of applicants. The **average percentage mark** is based on

- **classroom (or school) mark** (as a percentage, rounded up) **of the five required courses in grades 11 and 12** (Language Arts 11, Mathematics 11, Social Studies 11 or First Nations Studies 12, (the top) Science 11, and Language Arts 12)  
**plus**
- **classroom (or school) mark** (as a percentage, rounded up) **of the applicant's top three grade 12 numbered courses.**

**Note:** Please highlight (not underline) these eight courses and their classroom (excluding provincial exams) marks on your transcript and/or third term report card.

**Note:** The completion of Essentials Mathematics and Communications courses will not exclude a student from being eligible for awards. Some school awards are inclusive in nature and donors encourage all students to apply for them.

**Note:** It is difficult to identify courses as academic and non-academic. For this reason, the Clearwater Secondary School Awards Selection Committee will consider all grade 12 courses equally. It is in the best interest of the student to complete as many grade 12 courses as possible in order to augment his or average percentage mark.

- For the purpose of determining the **average percentage mark, the following courses will not be considered:** Work Experience 12A or 12B, Secondary School Apprenticeship 12A or 12B, Teacher Assistant 12, Independent Directed Study 12, or Learning Strategies 12.
- Marks from regular courses taken second semester *may* be counted toward your average percentage mark. A copy of your third term report card must be submitted and the course and mark highlighted.
- Distributed Learning courses (@KOOL, SCIDES) must be at least three-quarters completed (75+ percent) by the end of the third term to be considered in the average percentage mark. A copy of your third term report card from @KOOL must be submitted and the course and mark highlighted.
- TRU>Start Open Learning dual credit courses must be fully-completed and have been assigned a final mark by the time of application to be considered in the average percentage mark. Highlight course and mark on transcript.

**Note:** The eight courses used to determine the average percentage mark **constitute the minimum level of course work necessary** in order for students to be considered for scholarships or bursaries in a given year. The percentages of these eight courses will be added together and divided by eight to establish an **average percentage mark**. This average percentage mark shall be used to rank all applicants in order to determine the top academic students from Clearwater Secondary School.

### **e.g. Student A**

<u>Course</u>	<u>Mark (%)</u>
English 11	89
Social Studies 11	75
Principles Math 11	81
Biology 11	92
English 12	87
Auto 12	88
Art 12	78
Law 12	<u>76</u>
Total	666 / 8 courses = <b>83.25% Average Percentage Mark</b>

## **C) Provincial and District Scholarship and Bursary Awards**

### **Grade 12 Graduation Program Examinations Scholarships (Provincial Scholarship Program)**

The Grade 12 Graduation Program Examinations Scholarships program rewards graduating students for academic excellence in their Grade 12 provincial examinations. These \$1000 awards and \$2500 (to the top 20 students only) awards can be redeemed when a student enters a designated post-secondary institution. A **Grade 12 Graduation Program Examinations Scholarship** of \$1000.00 is awarded to a student who achieves 86 percent or higher on three grade 12 provincial examinations (English 12 may be included) and achieves an overall average of at least a B in English 12. *No need to apply; the Ministry of Education will contact the student should he or she meet the requirements for this scholarship.*

### **Dogwood District/Authority Awards (District Scholarship Program)**

These \$1000 scholarships are awarded to graduating students who meet the criteria determined by the local District Scholarship Committee, which requires a student to demonstrate superior achievement in any of the following areas:

1. Fine Arts (Visual Arts, Dance, Drama, Music)
2. Applied Skills (Business Ed, Technology Ed, Home Economics)
3. Physical Activity (not limited to Physical Education)
4. Second Languages (including Aboriginal Languages with IRP's or External Assessments, including AP and IB courses)

An equitable distribution should be made across the four areas (at the district level). Committee criteria must ensure that the winning candidates have been cumulatively evaluated in the courses chosen for presentation to the committee and satisfy other criteria which may include factors such as attendance, punctuality, work habits and cooperation. The number of Dogwood District/Authority Awards available to Clearwater Secondary School varies from year to year depending on the number of graduating students in each year (usually two). The deadline for submission of the application package is Friday, April 29, 2011. *Use the designated application package for these awards found on the CSS website under **Students>Post Secondary>Awards**.*

### **Kamloops Thompson School District #73 Scholarship and Bursary Awards (District Scholarship Program)**

These district-wide awards are decided by a committee made up of all school counsellors. *Use the designated application package for these awards found on the CSS website under **Students>Post Secondary>Awards**. The deadline for submission of the application package is April 29, 2011.* Each award will have its own application criteria. Applicants must be aware that they are competing with all students at the district level for these awards.

**Note:** Students must have a *minimum* of four provincially examinable courses (including English 12) to be eligible for district awards; provincial exams do not need to be written for these courses (with the exception of English 12).

## **D) Clearwater Secondary School Scholarship and Bursary Awards**

1. Xi Epsilon Eta/Chapter of Beta Sigma Phi Bursary
2. Bill Sedgwick Memorial Bursary
3. BOP Elks #499 Bursary
4. Clearwater/ Vavenby Lions Club Bursary

29. Melissa Hole Royal LePage Kamloops Realty Bursary
30. Century 21 Rison Realty Bursary
31. Vavenby Elementary School Bursary

## **E) CSS Awards Application Procedure**

1. Complete a **cover page**. Print off and complete the second to last page of this booklet. Check off the awards for which you've applied.

2. Word-process a general **letter of application** to:

Clearwater Secondary School Awards Selection Committee  
c/o Mrs. Patricia Persad, Chairperson  
Clearwater Secondary School  
Box 1951, RR#1  
Clearwater, B.C. V0E 1N0

This one-page letter should begin with an introduction of the applicant. This should include name, career goal, where the applicant intends to enrol for post-secondary education, whether the applicant has been conditionally admitted to the program of study, and when their program will commence. Sign your letter. *See next page for sample cover letter.*

3. Complete a **School and Community Involvement Chart** (print last page of booklet). In addition, students may include a one-page resume that highlights their accomplishments, activities, and experiences.

4. Include **one letter of reference** from teachers, employers coaches, and/or community members. Note: Some awards require two letters of reference (i.e. Blazers; two reference letters requirement indicated on Blazers application form)

5. Attach current **school transcript of grades** (obtain from secretary Ms. Bryant). Highlight the eight courses and associated classroom/school marks (without provincial exam factored in) to be used toward your average percentage mark. Include **third term** (midterm) **report card** for any second semester courses you wish to count toward your average percentage mark. Highlight these courses/marks.

6. Address eligibility for each award on a separate sheet of paper. After the number and name of each award, the applicant must state, in **paragraph** form, why he or she is eligible for the award. Some awards have specific criteria (association membership/affiliation, parent's workplace, composition etc.); this information must be included in the application. For **bursaries**, be sure to describe your financial need. You do not need to indicate your family income, but you should describe economic hardships and anticipated expenses. Applicants may apply for as many awards as they feel qualified.

7. Include additional **application forms** if needed (available from the counselling office).

**Photo-copy (one-side only) CSS Awards Application package three times. Do not staple your package; use a paper clip or a clear folder to secure pages. Submit your original and copied packages (four in total) to the counselling office.**

The contact person for applying for the Bursary or Scholarship is the Patricia Persad from the Counselling Office at Clearwater Secondary School unless otherwise specified.

The closing date for all Clearwater Secondary School Awards is **Friday, April 29, 2011 at 9:00 A.M. sharp.** Late applications will not be accepted. Some scholarships and bursaries may have their own specific closing dates (i.e. TRU Board of Governors Regional High School Entrance Scholarship closing date is Feb. 21, 2011). For CSS students, the District Awards deadline is also April 29, 2011.
